(Please read and have student initial next to each statement)

_____ Demonstrate the values of the Benold Middle School Choir Department in my daily interactions with both students and teachers. I will be an example of the ideal BMS Choir student to my peers and refrain from engaging in any behavior that jeopardizes the integrity of the department or my ensemble.

_____ Maintain academic eligibility (70 or higher in all classes) throughout the school year. Two or more instances of academic ineligibility during the course of the school year may result in removal from the varsity ensemble.

If I cannot make a performance or rehearsal, it is my responsibility to communicate any potential conflicts to the director within a reasonable amount of time.

In Georgetown ISD, participation in fine arts extracurricular activities is a privilege, not a right. Students who participate in these activities represent themselves, their families, their group, the school, the district, and the community. GISD fine arts students are expected to be positive role models and representatives.

We have read, understand, and accept the commitments to the *Benold Middle School Varsity Mixed Choir* as stated above. We acknowledge that there are requirements that may fall outside of the school day that will require transportation. We understand the importance of attendance at each performance event. We agree to prioritize these curricular performances and maintain clear communication to ensure my student's full participation and success and support the policies of the BMS Choir Program.

Students must complete this contract and turn it in or they risk removal from the ensemble.
